MUCH OF THE SUCCESS OF LIFE DEPENDS UPON
KEEPING ONE'S MIND OPEN TO OPPORTUNITY
AND SEIZING IT WHEN IT COMES.

- Alice Foote MacDougall, American Businesswoman

Ahmedabad's newest business hub gets a new landmark.

YOU FOCUS ON YOUR BUSINESS REST WILL DO.

The Indian economy is thriving. From information technology to finance, manufacturing and retail, India is making its mark on the global economy and industry the world over is taking notice. Not only are Indian products and expertise earning a reputation overseas, the world is thronging to its rapidly expanding markets. As multinational and Indian companies look for a strategic, world-class business location in India, Ahmedabad, in the National Capital Region, is increasingly finding favour as the destination of choice, for both business as well as pleasure.

Business is the art of thriving local community. The progress and development of the state reflects the people's vision and passion for trading.

What do you need for a thriving business proposition? A great vision, an inspiring environment of like-minded people around you and most importantly the perfect location to connect you to your business associates.

CORPORATE HOUSES, OFFICES SPACES AND HIGH END SHOWROOMS

Making a mark on the global economy

BEAUTY PRACTICALITY & HARMONY

Anikedhya CAPITOL invites you to experience the latest in building sophistication. With modern design add a sparkle to Ahmedabad's skyline with luminous glass and timeless stone finishes.

The chic central lobby designed by OPENIDEAS architects, building will feature an impressive entrance and contemporary styling to the exterior including attractive cladding and sunshade louvers.

THE MARK OF SUCCESS

Where a workspace
is a theater of
consciousness &
business a way of life

The facilities at **Anikedhya CAPITOL** are designed to enhance the business environment, with great attention to detail such as well-finished lobbies and common areas, separate entrances for offices and retail sections, ample and well-organised parking and furnished public restrooms. High-speed elevators, 100% power back-up, state-of-the-art communication, video surveillance and life safety equipment, all managed through a sophisticated Building Management & Maintenance System, will ensure comfortable and uninterrupted operations.

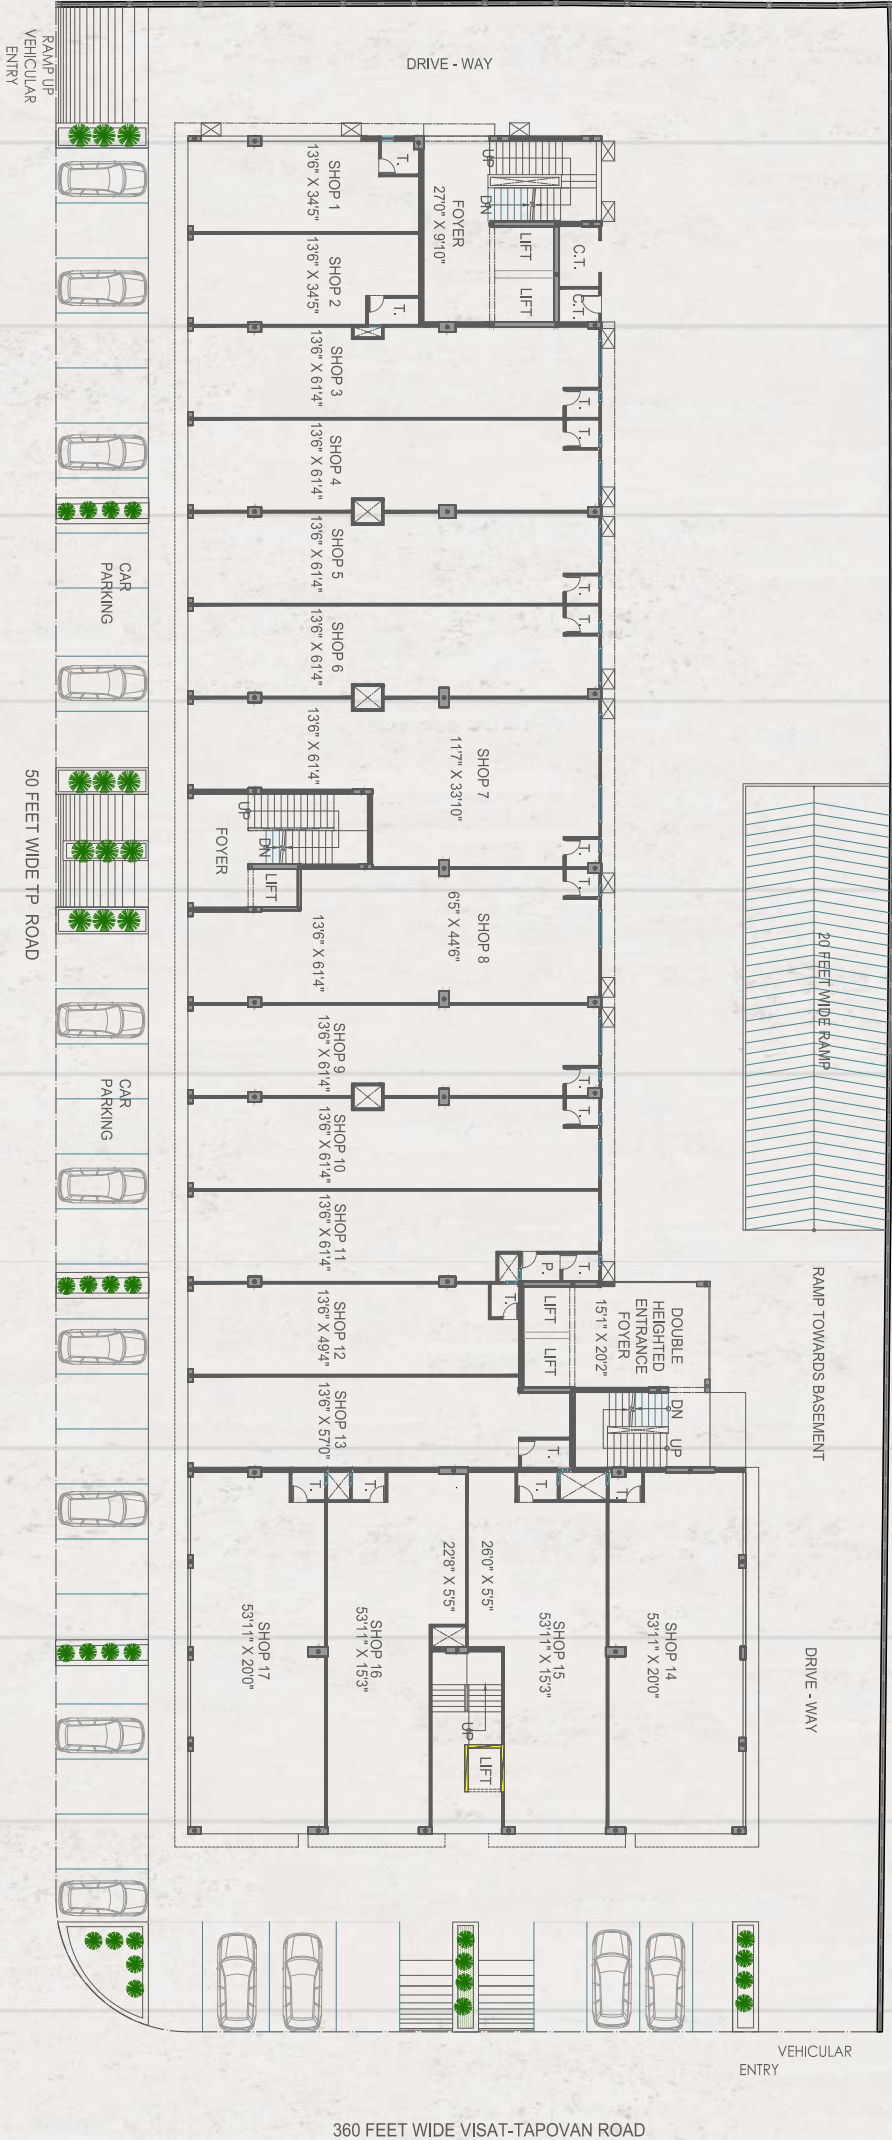

salubrious spaces
that enhance
the work-life balance

Designed to meet the most stringent demands of business in a globalised world, the offices at **Anikethya CAPITOL** provide an environment built to nurture excellence and productivity. The entire complex boasts of international quality specifications and craftsmanship. Large floor plates, open span design and central corridors ensure maximum utilisation of the available space.
